

ACOLIN is Europe's leading provider of cross-border fund distribution services and is enjoying strong growth in demand. With around 85 employees in Zurich, London, Luxembourg, Geneva, Dublin, Madrid, Milan, Belgrade and Konstanz, the ACOLIN Group serves over 500 international asset management companies and offers them access to its distribution network of more than 3000 banks, global fund platforms and other institutional investors.

### For you, law is your passion.

As part of our growth strategy, we are looking for experienced and committed

## International Corporate Lawyers (m/f/x) (100%)

for our [London City office](#) and for our [Konstanz office](#) in Germany. In this role, you will advise the management in all legal matters and be responsible for all contracts with our international business partners, global platforms and distributors in Europe. We expect you to bring with you commitment, creativity and, of course, team spirit. Previous knowledge of the financial services industry is a prerequisite. If you think of yourself as a team leader with the respective skills, you could claim lead one of the legal teams.

### Your tasks:

- Advising the management in all corporate law matters
- Observation and timely advice of the management regarding changes in local and international supervisory and collective investment schemes legislation
- Ongoing monitoring of the existing contractual framework with regard to regulatory changes and preparation of proposals for adjustments to the Executive Board
- Maintenance of the model contract library of all contracts in connection with cross-border distribution
- When taking on a new client mandate, ensuring that all new contracts run smoothly in close cooperation with the client relationship manager and the lawyers and legal departments of our clients
- Coordination of the passporting of ACOLIN Europe GmbH (KWG company) in the EU (MiFid II)
- Interface between external legal advisors, auditors, investment companies and supervisory authorities
- Periodic reporting to EU regulators and associations where required
- Avoidance of reputation and liability risks vis-à-vis FINMA, BaFin, FCA and other supervisory authorities
- Handling of customer complaints in cooperation with Group Compliance and Executive Management
- Legal support of group companies in drafting contracts and launching new products
- Talent Development and Team management if you wish to lead a legal team

### Your profile:

You have a full legal education and ideally several years of professional experience in the financial services industry. Your personality is characterised by a high degree of resilience, initiative and loyalty. You are also an organizational talent. We expect team spirit and a certain amount of creativity. Your decisiveness and natural assertiveness round off your profile. Furthermore, you must have a very good command of English; your mother tongue is either English or German with excellent language skills of the other language, and every additional language is welcome. Good presentation skills and fun in training and knowledge transfer round off your profile.

### Our offer:

In addition to an international, dynamic environment, a well-rehearsed team and flat hierarchies await you. We attach great importance to the satisfaction of our employees and at the same time work with you to further develop your personal and professional strengths. Our offer is rounded off by attractive employment conditions, modern workplaces and flexible working hours.

## Would you like to make an indispensable contribution to the success of the ACOLIN Group?

Then we should definitely get to know each other. Please send your complete electronic application including your possible start date in one single PDF document by e-mail to [career@acolin.com](mailto:career@acolin.com). Please note that we will respond only to the records corresponding to the requirements of the position. Your application will be treated with respect and in complete confidentiality.
